Notwithstanding any damages that You might incur, the entire liability of the Company and any of its suppliers under any provision of this Terms and Your exclusive remedy for all of the foregoing shall be limited to the amount actually paid by You through the Service or \$100 USD if You haven't purchased anything through the Service.

To the maximum extent permitted by applicable law, in no event shall the Company or its suppliers be liable for any special, incidental, indirect, or consequential damages whatsoever (including, but not limited to, damages for loss of profits, loss of data or other information, for business interruption, for personal injury, loss of privacy arising out of or in any way related to the use of or inability to use the Service, third-party software and/or third-party hardware used with the Service, or otherwise in connection with any provision of this Terms), even if the Company or any supplier has been advised of the possibility of such damages and even if the remedy fails of its essential purpose.

Some states do not allow the exclusion of implied warranties or limitation of liability for incidental or consequential damages, which means that some of the above limitations may not apply. In these states, each party's liability will be limited to the greatest extent permitted by law.

The Service is provided to You "AS IS" and "AS AVAILABLE" and with all faults and defects without warranty of any kind. To the maximum extent permitted under applicable law, the Company, on its own behalf and on behalf of its Affiliates and its and their respective licensors and service providers, expressly disclaims all warranties, whether express, implied, statutory or otherwise, with respect to the Service, including all implied warranties of merchantability, fitness for a particular purpose, title and non-infringement, and warranties that may arise out of course of dealing, course of performance, usage or trade practice. Without limitation to the foregoing, the Company provides no warranty or undertaking, and makes no representation of any kind that the Service will meet Your requirements, achieve any intended results, be compatible or work with any other software, applications, systems or services, operate without interruption, meet any performance or reliability standards or be error free or that any errors or defects can or will be corrected.

Without limiting the foregoing, neither the Company nor any of the company's provider makes any representation or warranty of any kind, express or implied: (i) as to the operation or availability of the Service, or the information, content, and materials or products included thereon; (ii) that the Service will be uninterrupted or error-free; (iii) as to the accuracy, reliability, or currency of any information or content provided through the Service; or (iv) that the Service, its servers, the content, or e-mails sent from or on behalf of the Company are free of viruses, scripts, trojan horses, worms, malware, timebombs or other harmful components.

Some jurisdictions do not allow the exclusion of certain types of warranties or limitations on applicable statutory rights of a consumer, so some or all of the above exclusions and limitations may not apply to You. But in such a case the exclusions and limitations set forth in this section shall be applied to the greatest extent enforceable under applicable law.

The laws of the USA, excluding its conflicts of law rules, shall govern this Terms and Your use of the Service. Your use of the Application may also be subject to other local, state, national, or international laws.

If You have any concern or dispute about the Service, You agree to first try to resolve the dispute informally by contacting the Company.

If any provision of these Terms is held to be unenforceable or invalid, such provision will be changed and interpreted to accomplish the objectives of such provision to the greatest extent possible under applicable law and the remaining provisions will continue in full force and effect.

Except as provided herein, the failure to exercise a right or to require performance of an obligation under this Terms shall not effect a party's ability to exercise such right or require such performance at any time thereafter nor shall be the waiver of a breach constitute a waiver of any subsequent breach.

These Terms and Conditions may have been translated if We have made them available to You on our Service. Translations of any materials into languages other than English are intended solely as a convenience to the non-English-reading public and are not legally binding. We have attempted to provide an accurate translation of the original material in English, but due to the nuances in translating to a foreign language, slight differences may exist. References identifying the original document in English are available in most non-English documents.

You agree that the original English text shall prevail in the case of a dispute.

We reserve the right, at Our sole discretion, to modify or replace these Terms at any time. If a revision is material We will make reasonable efforts to provide at least 30 days' notice prior to any new terms taking effect. What constitutes a material change will be determined at Our sole discretion.

By continuing to access or use Our Service after those revisions become effective, You agree to be bound by the revised terms. If You do not agree to the new terms, in whole or in part, please stop using the website and the Service.

Binding Arbitration and Exclusions from Class Action Lawsuits. Except as provided below OR UNLESS YOU SUBMIT A VALID ARBITRATION/CLASS ACTION WAIVER OPT-OUT NOTICE (in writing sent to address(es) below) any and all claims between you and Company will be resolved in binding arbitration rather than in court. You and VII agree to submit to individual arbitration the resolution of any and all Claims by or between you and/or Company (A) any Claim filed by you with respect to any violation, enforcement or validity of patent, trademark, trade dress, service mark, copyright and/or trade secret rights of you, or any third party, including, but not limited to, Claims related to content that you upload to or share on the Site and/or (B) you may seek a preliminary injunction, restraining order or other provisional equitable relief in any court as provided in connection with any Claim whereby you as applicable, may suffer immediate and irreparable harm for which money damages may be inadequate and impossible to calculate, where such Claim under this will not be subject to the informal dispute resolution procedures described below; provided, however, that, subsequent to obtaining such preliminary injunction, restraining order or other provisional equitable relief, the Claim will then be submitted to arbitration. You and Company agree that this Agreement affects interstate commerce, and that the enforceability of this clause will be governed by, construed, and enforced, both procedurally and substantively, by the Federal Arbitration Act, 9 U.S.C. sections 1–9 ("FAA"). Arbitration is the referral of a dispute to one or more impartial persons for a final and binding determination. There is no judge or jury in arbitration, discovery is more limited than in court, there are no class or representative proceedings, and court review of an arbitration decision is limited. An arbitrator must follow this Agreement and can award on an individual basis the same damages and relief as a court (including, but not limited to, injunctive and declaratory relief, statutory damages, and attorneys' fees). "Claim(s)" means any dispute, claim or controversy by or between you and/or Company relating to the Site and/or this Agreement (including, but not limited to, this Site's Privacy Policy and all Additional Terms, Rules, regulations, procedures and policies which we refer to in this Agreement), as may be modified from time-to-time, and the subject matter hereof, including, but not limited to, any contract, tort, statutory, or equity claims.

Electronic Signatures. All participating parties agree that the electronic signatures, whether digital or encrypted, of the parties using this Product, if any, are intended to authenticate terms in writing and to have the same force and effect as manual signatures.
